Benefiting the New Maternity Unit at San Antonio Regional Hospital

SAN ANTONIO HOSPITAL FOUNDATION

Welcome to the 41st Annual San Antonio Golf Classic!

It is truly inspiring to see such a dedicated group gathered here today, united by a shared mission to support the health and future of our community.

Today's tournament is more than just a round of golf—it is the final push for our **new state-of-the-art maternity unit**. At a time when many other hospitals are unfortunately making the difficult decision to close their maternity units, **San Antonio Regional Hospital** is taking a different path. We are deepening our commitment to our community, ensuring that local families have a safe, modern, and local place to grow. Every family deserves the security of knowing they are supported by exceptional, compassionate care during their most important milestones. We thank supporters like you!

Your presence today helps bridge the final gap in our fundraising goal. Whether you are a long-time donor or joining us for the first time, your contribution provides a lifeline for the families who will rely on San Antonio Regional Hospital for years to come.

On behalf of San Antonio Regional Hospital, the Board of Trustees, San Antonio Hospital Foundation, the Foundation's Board of Directors and our entire San Antonio Care Team Members, thank you for your generosity, your time, and your **"Spirit of Giving"**.

Let's make this our most impactful tournament yet!

Sincerely,
