**SAN ANTONIO HOSPITAL FOUNDATION**

## Welcome to the 40th Annual San Antonio Golf Classic!

On behalf of the Foundation Board of Directors and our care team members, THANK YOU for your support of San Antonio Regional Hospital. Your commitment supports our mission to improve the health and well-being of the people we serve. **HERE FOR LIFE.**

The annual tournament brings golfers, community leaders and business professionals together for a day of friendly competition, networking and comradery – all for a great cause.

Beyond the green, the tournament serves a higher purpose, supporting construction of a new maternity unit at San Antonio Regional Hospital. The cry of a newborn baby is one of the purest sounds in life, making a new beginning with the hope of a healthy future. Since 1907, San Antonio Regional Hospital has been here for thousands of these moments, sharing in the joy and delivering generations of families in the Inland Empire.

While medicine has advanced in remarkable ways since the early days of the hospital, our mission has never wavered. To be here – committed to safe, compassionate maternity care for the community that relies on us.

While out on the course, you will bring the FUN into fundraising, so don't forget to keep your phones close and bid on the amazing items in the online auction. Thank you for your support!
