

## SAN ANTONIO REGIONAL HOSPITAL

~ July 2025 CME Presentations ~

Thursday, July 10<sup>th</sup>  
12:15 pm  
Presentation via Zoom

This activity will encompass the following Desirable Physician Attributes: Patient Care & Procedural Skills, Medical Knowledge, Professionalism, and Practice-Based Learning & Improvement.

1.0 ABIM MOC Credit Offered

### "OSTEOARTHRITIS"

**Peng T. Fan, M.D.** – *Clinical Professor of Medicine, Division of Rheumatology, David Geffen School of Medicine at UCLA; Consultative Rheumatology and Clinical Immunology, Private Practice, Glendale, CA*

#### **Desired Outcomes:**

*At the conclusion of this activity, participants will be able to:*

- ❖ Consider the epidemiology and pathogenesis of osteoarthritis
- ❖ Identify the clinical features of osteoarthritis through integration of data obtained in patient history, physical examination, and diagnostic results
- ❖ Determine the differential diagnoses when assessing patients with joint pain
- ❖ Provide effective treatment consistently, using a combination of pharmacological and nonpharmacological intervention
- ❖ Recognize the clinical, genetic, and environmental risk factors and comorbidities associated with osteoarthritis
- ❖ Reflect on the patient populations most affected by osteoarthritis and consider how implicit bias may impact appropriate care of these patients

**The presentational methods for this activity are Case Presentation with Learner Participation and Lecture with Q&A. The activity content is geared toward Primary Care Physicians, Internal Medicine Physicians, Family Practice Physicians, Rheumatologists, Orthopedists, and Geriatricians, but all physician specialties are welcome to attend.**

*This activity fulfills 1.0 (one) hour of Geriatric credit, as outlined in AB1820.*

Thursday, July 24<sup>th</sup>  
12:15 pm  
Presentation via Zoom

This activity will encompass the following Desirable Physician Attributes: Patient Care & Procedural Skills, Medical Knowledge, Professionalism, and Practice-Based Learning & Improvement.

### "INDICATORS FOR TPN"

**Quintin Broussard, PharmD, BCPS, BCCCP, BCNSP** – *Associate Professor of Clinical Sciences (Clinical Care/Nutrition Support), Certificate Coordinator for Medication Therapy Outcomes, Doctor of Pharmacy Program, School of Pharmacy, Keck Graduate Institute, Claremont, CA; Critical Care and Nutrition Support Pharmacy Specialist, San Antonio Regional Hospital, Upland, CA*

#### **Desired Outcomes:**

*At the conclusion of this activity, participants will be able to:*

- ❖ Identify the indications and contraindications for initiating TPN
- ❖ Consider the complications of use of TPN in hospitalized patients
- ❖ Recognize the current parameters for malnutrition
- ❖ Consider the definition of prolonged NPO in determining use of enteral nutrition versus TPN
- ❖ Assess and identify Indicators for gut function following surgery in determining if TPN should be used
- ❖ Consider the appropriate nutritional therapies for patients on hospice care
- ❖ Reflect on the patient populations most affected by the need for enteral nutrition or total parenteral nutrition and consider how implicit bias may impact appropriate care of these patients

**The presentational methods for this activity are Case Presentation with Learner Participation and Lecture with Q&A. The activity content is geared toward Surgeons and Hospitalists, but all physician specialties are welcome to attend.**

San Antonio Regional Hospital is accredited by the California Medical Association (CMA) to provide continuing medical education for physicians.

San Antonio Regional Hospital designates each live activity for a maximum of 1.0 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This activity contributes to the CME component of the American Board of Anesthesiology's redesigned Maintenance of Certification in Anesthesiology™ (MOCA®) program, known as MOCA 2.0®. Please consult the ABA website, [www.theABA.org](http://www.theABA.org), for a list of all MOCA 2.0 requirements.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 1.0 MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

Successful completion of this CME activity enables the participant to earn up to 1.0 Lifelong Learning (CME) MOC points in the American Board of Pathology's (ABPath) Maintenance of Certification (MOC) program.

Successful completion of this CME activity enables the learner to earn credit toward the CME of the American Board of Thoracic Surgery's Maintenance of Certification program. It is the CME activity provider's responsibility to submit learner completion information to ACCME for the purpose of granting ABTS credit.

*In accordance with the Americans with Disabilities Act (ADA), please call the Medical Staff Office at (909) 920-4945 should you require special assistance.*
