"OUTPATIENT MANAGEMENT OF RESPIRATORY VIRUSES"

Thomas C. Cesario, M.D. – Professor Emeritus, Department of Medicine, University of California, Irvine

Desired Outcomes:

At the conclusion of this activity, participants will be able to:

- ❖ Discuss outpatient care and management with patients who have a viral respiratory infection
- ❖ Determine when to test and not to test a patient for a specific virus
- ❖ Educate patients on the types of vaccines available for respiratory viruses, including COVID-19, RSV, and influenza
- ❖ Answer patient questions regarding vaccines, as accurately and thoroughly as possible
- ❖ Consider the impact cultural factors have on patient trust and adherence to vaccination recommendations
- ❖ Reflect on the patient populations most affected and consider how implicit bias may impact appropriate care of these patients

The presentational methods for this activity are Case Presentation with Learner Participation and Lecture with Q&A. The activity content is geared toward Pediatricians, Family Medicine Physicians, Internal Medicine Physician, and Emergency Department Physicians, but all physician specialties are welcome to attend.

"UPDATE ON EBOLA FOR PRIMARY CARE DOCTORS"

Sohanjeet Singh Bassi, M.D. – Specializing in Infectious Diseases/Internal Medicine, Chairman, Infection Control Committee and Former President of Medical Staff, San Antonio Regional Hospital, Upland, CA; Chairman, Infection Control Committee, Foothill Presbyterian Hospital, Glendora, CA; Member, Infectious Disease Society of America (IDSA)

Desired Outcomes:

At the conclusion of this activity, participants will be able to:

- ❖ Identify epidemiologic and exposure clues that should trigger "think EBOLA"
- ❖ Describe the clinical course, differential diagnosis, and initial diagnostic workflow
- ❖ Apply immediate infection prevention actions while awaiting public health guidance
- ❖ Summarize supportive care, monoclonal antibody therapy, and vaccine limitations
- ❖ Explain why the 2026 Bundibugyo outbreak changes preparedness discussions
- ❖ Communicate effectively with patients in order provide information on travel advice/restrictions and personal/environmental protection
- ❖ Reflect on the patient populations most affected and consider how implicit bias may impact appropriate care of these patients

The presentational methods for this activity are Case Presentation with Learner Participation and Lecture with Q&A. The activity content is geared toward Primary Care Physicians, Internal Medicine Physicians, and Family Practitioners, Infectious Disease Physicians, and ED Physicians, but all physician specialties are welcome to attend.

CANCER CONFERENCE

Presentations via Zoom

12:30pm-1:30pm

~

Thursdays

October 1st & 15th

1.0 AMA PRA Category 1 Credit™, 1.0 Geriatric Credit as outlined in AB120, AMIB MOC Credit, ABPath MOC Credit, and ABS MOC Credit Offered.

San Antonio Regional Hospital is accredited by the California Medical Association (CMA) to provide continuing medical education for physicians.

San Antonio Regional Hospital designates each live activity for a maximum of 1.0 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 1.0 MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the learner to earn up to 1.0 MOC points in the American Board of Pediatrics' (ABP) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit learner completion information to ACCME for the purpose of granting ABP MOC credit.

Successful completion of this CME activity enables the participant to earn up to 1.0 Lifelong Learning (CME) MOC points in the American Board of Pathology's (ABPath) Maintenance of Certification (MOC) program.

Successful completion of this CME activity enables the learner to earn credit toward the CME requirements of the American Board of Surgery's Continuous Certification program. It is the CME activity provider's responsibility to submit learner completion information to ACCME for the purpose of granting ABS credit.

In accordance with the Americans with Disabilities Act (ADA), please call the Medical Staff Office at (909) 920-4945 should you require special assistance.
